STEP #2

Sort

SELL the items that meet our Quality & Safety Standards: The 4 C's

Our Valet Taggers will inspect your items utilizing these 4 standards. Items that do not meet our standards will be rejected. You must have a pet free/smoke free home, or remove all traces of pets/smoke prior to taking items to your tagger. You will be charged \$10 per hour by your tagger for time they have to spend sorting by size or pulling stained items so please do this ahead of time. If our Valet Tagger rejects 50 or more items, or if there is pet hair/smoke smell on your items, they can choose to reject the entire job. You will have 7 days to pickup items or they will be donated & fees will still apply. Please make sure to inspect **ALL** items to avoid any items being rejected. Consignors who have been declined twice will be prohibited from participating in future events as a valet consignor.

CLEAN

The newer it looks, the better it sells. Check carefully for stains and holes in clothing. Clean all clothing and non-clothing items thoroughly before dropping off items.

CURRENT

Sell warm weather clothing and shoes at our Spring sale. Save cold weather items for our Fall/Winter sale. If your items are out of season, they will be rejected.

COMPLETE

Be sure all parts & pieces are present before you drop off your items. Don't forget to check all batteries are working to avoid a battery supply fee.

COMPLIANT

Important Safety Guidelines apply to car seats, cribs, infant equipment & toys. All of the Recalls & Safety Standards are listed at safety.jbfsale.com for you to check each of your items before you sell.

STEP #3

Drop Off

JUST BETWEEN
FRIENDS

Valet Tagging Drop Off:

- 1** When you are matched with a Valet Tagger, you have 48 hours to respond and set up a drop off time that works for both of you.
- 2** If you fail to respond in that time frame, you will be put at the end of the list. Our Valet Tagging Program is very limited and this can result in us not having another Valet Tagger available.
- 3** Once you drop off your items, your Valet Tagger will communicate with you when they have entered all tags in our JBF system. If there are items you wish to sell at a certain price, make sure you communicate with your Valet Tagger. You have 24 hours to approve pricing once tags are in our system (1 hour if within a week of drop off). After that time, your tagger will print and prices may not be edited.
- 4** All items are highly recommended to be reduced and donated on our half price days. You'll sell much more and have less to do at the end of the sale.

That's It! You're Done!

Things to Keep in Mind:

The Initial Supply Fee is \$25, paid at drop off, and it covers the first 100 tags. There is a \$12.50 fee per each additional 50 tags.

You earn 40% on sold items and your tagger earns 20% for their time preparing your items. All additional Valet Tagging fees will come out of your consignor check that will be emailed to you within 2 weeks of the sale.

Avoid a sorting charge. Organize your items by sorting them. Each box has a different type of item. (toys, feeding, books, etc.) Clothes need to be sorted by gender, then size and put in sets (if applicable) prior to dropping items off, if the Tagger needs to sort the items there will be an additional \$15 or more sorting fee taken from my check.

You will need to provide your myjbf tags.com email address and password to your Tagger.
