

Just Between Friends Reno, NV Seller Referral Program

How Does It Work? Easy as 1, 2, 3

1. Tell your family, friends, neighbors, moms at school, and more about selling with JBF Reno
2. Either you or the referred seller completes the referral form. Link on our website.
3. For every NEW seller you refer, you receive 5% of their sold profits PLUS a \$10 referral bonus the first time they sell their items at a JBF Reno sale!
 - If your referred seller continues to participate with JBF Reno, you receive 2.5% of their sold profits.

Show Me the Money...

- Let's just say...Susie Seller recruits 4 NEW sellers to participate in the upcoming JBF Reno Sale. Each seller has gross sales of \$250. Susie will get a check for \$90!
 - $\$250 \times 5\% \times 4 \text{ sellers} = \$50 + \$40 (\$10 \text{ bonus per seller}) = \90
- You keep on earning...Then, Susie's sellers consign again at the next Reno Sale. All 4 sellers have gross sales of \$250 each.
 - Susie will get a check for \$25 ($\$250 \times 2.5\% \times 4$)

Questions...

- **Who is Considered a NEW Seller?** A seller that has not participated as a consignor in a JBF Reno sale before. (Spouses, significant others, & additional accounts are not eligible.)
- **What's the Catch? None!** We want you to be able to make as much money as possible at our sale. We realize the more families that sell the bigger the sale will be and the more of your items will sell, so why not get a percentage helping make the sale better? (Note: The percentage is taken from JBF, NOT from the seller).
- **When Will I No Longer Get a Percentage of Their Sales?** If JBF Reno decides that this program is no longer effective, you and/or your seller(s) are no longer selling with JBF Reno.

Sounds Great! So What Do I Need To Do?

- 1- Get people involved! That friend that has great clothes and gear for her kids – get her to participate as a seller! Tell all the moms at your kid's school, get the neighbors who are trying to sell their baby stuff at a garage sale or on Facebook or Craigslist.
- 2- Have them sign up for the sale and make sure they know how to tag and sell with JBF.
- 3- Complete the Seller Referral Form to get credit for the referral. Follow the link on our website, "How-to-Sell" or "Selling Links" page.
